Methodology:

This course always has the trainer present, who will even give the training in person via the platform.

The trainee can intervene with the trainer or with the other trainees, just as they can in the classroom.

The presentations and exercises will always be provided by the trainer at the end of each training session.

At the end of the course you will receive a Professional Training Certificate if you attend at least 90% of the classes, complete the proposed assignments and tests, participate in online discussions and have a positive final evaluation.

This training is certified and recognized.
